## 1969 CHEVELLE SS 396

This is a “Real” Chevelle SS 396 restored to it’s original condition, as delivered new in 1969. The exterior is Garnet Red with Parchment White interior, and vinyl top.

This Chevelle SS 396 is equipped with a 396/350 H.P., 4 speed, and positraction rear end. This Chevelle SS 396 is documented with it’s original Build sheet, Broadcast sheet, and the all important Protecto Plate. This car is in excellent condition, and runs as good as it looks. Take advantage of buying this Rare Muscle Car. Listed below are the RPO codes of how this car was/is equipped from the factory:
